1. I met with Emmett Echols, , and John Tietjen to discuss the question of whether we should employ a totally blind, colored typist in the Foreign Documents Division of the Office of Operations. We concluded that we should reject this applicant for medical reasons because he cannot, with his physical limitations, accept the security responsibility inherent in working in a classified situation.

2. Dr. Tietjen talked with me about more supergrades from his office. He wishes to elevate his Division Chiefs to grade GS-17 and to ask for a grade GS-16 for the Deputy Division Chiefs. I told him that I would support this position.
